

Blue365[®]

EyeMed Vision Discount Program

Blue Cross and Blue Shield of Texas (BCBSTX) is pleased to offer BCBSTX members a vision discount program through EyeMed Vision Care.

What?

The EyeMed Vision Discount through Blue365 offers savings on eyeglasses, contact lenses, eye exams, accessories and laser vision correction. See the back page for a full list of discounts.

Who?

The EyeMed network consists of major national and regional retail locations, such as LENS CRAFTERS[®], PEARLE VISION[®], Target Optical[®], Sears Optical[®] and JCPenney Optical, as well as independent ophthalmologists and optometrists. Additionally, you may go online to in-network providers at contactsdirect.com.

Where?

You want to receive eye care when you want, and where you want. To meet your expectations, you need a network with the right mix of both independent and retail providers. Fortunately, EyeMed offers more independent providers than any other vision benefits company.

Visit eyemedexchange.com/blue365, click [Find a Provider](#) and begin your search. Be sure the Advantage network is selected.

For more information about Blue365, log in to Blue Access for MembersSM (BAM) at bcbstx.com. Click the [My Coverage](#) tab at the top, and then click the [Discounts](#) link on the left.

Referral?

You don't need a referral. Simply visit any EyeMed provider and show your BCBSTX medical ID card.

Program Features

- Discounts on vision care services and materials
- No limit to the number of times the member can receive discounts on purchases
- Access to large provider network
- Convenient evening and weekend hours
