Carson	Dickens	Grayson	Jackson	Lipscomb	Nacogdoches	Rusk	Tyler	

Choice plans only pay benefits for eligible expenses from a Choice network provider.

Visit uhone.com to search for providers in the network.

Important note: No benefits are payable for non-emergency care from a non-network provider. Emergency treatment from a non-network provider will be treated as a network eligible service. This means you will owe the difference between what the non-network provider bills and what we pay for a network eligible expense.
