

Check Out Your Child's Vision Care Program

As a member of a qualified health plan with Blue Cross and Blue Shield of Texas (BCBSTX), members up to 19 years old are eligible for pediatric vision care benefits administered by EyeMed Vision Care.

Pediatric benefits for members up to 19 years old include:¹

- Coverage for one eye examination every 12 months
- Spectacle lenses or contact lenses² and a frame allowance every 12 months

Note that for HSA-eligible plans, the member must meet the plan's deductible before benefits begin for spectacle lenses, contact lenses and frames.

Remember: When you visit an EyeMed network provider, your copayment is due on the day of your visit.

How do I locate an EyeMed provider?

The EyeMed network consists of thousands of independent and retail providers, including national brands like LensCrafters®, Pearle Vision and Target Optical®. You can also visit and use [contactsdirect.com](https://www.contactsdirect.com) and [glasses.com](https://www.glasses.com), as well as [Ray-Ban.com](https://www.ray-ban.com), [TargetOptical.com](https://www.targetoptical.com), and [LensCrafters.com](https://www.lenscrafters.com).

For a list of EyeMed providers near you, visit [eyemedvisioncare.com/bcbstx](https://www.eyemedvisioncare.com/bcbstx) to find a provider in the Select network, or call the EyeMed Customer Care Center at **844-684-2255**.

The American Optometric Association says **25 percent** of school-aged children have undiagnosed eye problems that affect their ability to read properly or cause eye fatigue.

Does my child need a referral or ID card?

You don't need a referral. Simply visit any EyeMed provider and show your BCBSTX ID card, or just provide your name and date of birth, to access your vision care benefits and discounts.

Are there discounts on other vision services and materials that aren't covered?³

You receive extra discounts above your BCBSTX plan benefits, including:

- A standard contact lens fit and follow-up exam for \$40 or less
- 40 percent off additional pairs of prescription glasses
- 20 percent off some items not covered by the plan

For more details about vision discounts, please call **844-684-2255** or visit eyemedvisioncare.com/bcbstx.

Are there any exclusions?

The following are some of the items **not covered** as part of the vision care program. Refer to your benefits booklet for a full list.

- Medical treatment of eye disease or injury⁴
- Vision therapy
- Services performed by a provider who is not in the EyeMed network
- Replacement of lost eyewear
- Services not performed by licensed personnel

For more information:

Call EyeMed Vision Care at **844-684-2255**

Mon. – Sat., 6:30 a.m. – 10 p.m. CT

Sun., 10 a.m. – 7 p.m. CT

eyemedvisioncare.com/bcbstx

Please note: These pediatric vision care benefits are only available to members up to age 19. Adults age 19 or older are not covered by this program.

1. This flier is just a summary. For more information about your vision benefits, refer to your benefit booklet.

2. Federal law prohibits the dispensing of a quantity of contact lenses whose intended use would exceed the expiration date of the contact lens prescription.

3. Discounts are not insurance and they may change at any time.

4. Check your benefits booklet as these services may be covered under your medical insurance.

EyeMed Vision Care, LLC, an independent company, provides customer service and network administration services for BCBSTX. BCBSTX has contracted with First American Administrators (FAA), an independent company, to provide claims administration. The relationship between BCBSTX, FAA, and EyeMed is that of independent contractors.

Blue Cross and Blue Shield of Texas, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association
